Importance: High

Hi All,

I quickly pulled together the options we discussed yesterday as well as revised the letter to not include the comment about the outreach material given that it's more complicated to justify our argument for allowing the grant to close. We need to get this information to Martin by end of today. I am out Thursday and possibly Friday so want to get it to him today so that Sisay and Jasmin can follow up while I am out. The grant expires a week from Thursday so we are basically out of time.

Please get me your feedback by noon today. Thanks, Libby
